

Year 5 Mountain Make-and-Do Project! Due from 9th February to 11th February 2026

Year 5, it is time for a 'Make and Do' half term project! Over the next 5 weeks you will be creating a Mountain Nature Scrapbook. You may choose one mountain of your choice to research - NOT Mount Olympus (for obvious reasons!) Examples include: Everest, Snowdon, Fuji, Kilimanjaro, etc.

You are going to conduct in-depth research into this mountain and build up your scrapbook. You can include images, flaps, colour, ribbon, glitter glue, pop-ups, items you have created, decoration. Be creative with your thinking!

To Include...

- Name and location
- Height
- Map
- Images
- Plants and how they survive
- Animals and how they have adapted to the environment
- Climate
- Interesting facts
- An exciting front cover

This is a lot of work in one go so please do not leave it all until the final week. Create your scrapbook bit by bit throughout Spring Term 1. You may begin handing in from Monday 9th February to Wednesday 11th February, ready to be celebrated on Friday 13th February. Any questions or trouble with resources, please let me know TWO WEEKS before it is due and I can help sort something out. Enjoy!! - Miss Barber
