

**English** We will complete an author study into Michael Morpurgo as we read 'King of Cloud Forest' and 'Kensuke's Kingdom'.

Writing will include letter writing, recount writing and exploration of narrative form. The children will read to explore devices and then apply their new skills to write their own story set in the natural world. We will be focusing on precision and editing this term.

Grammar, punctuation and spelling will also be focused on ensuring that the pupils are confident in all the technical side of writing.

**Maths** Children will explore the importance of quick recall of their times tables and how they are vital throughout Year 6 maths curriculum.

Our focus in lessons will be Place Value, Addition, Subtraction, Multiplication and Division.

We will also try to bring maths work into our project work as much as possible as we study graphs and charts as well as scales of maps.

### **Science**

In Science this term we will be exploring the circulatory system. Pupils will learn about the organs of the body that are part of the system and how to keep the body healthy. We will learn about healthy eating and what effect smoking and drugs have on the human body.

### **Geography -Climate Change**

This enquiry gives pupils an insight into how changing patterns of weather at different locations around the world are impacting on the lives of real people with whom they can relate.

Pupils will explore specific case studies around the world to look at the concept of global warming and what can be done about it.

### **French**

The pupils will explore the unit "Visiting a French town".

### **PE/Games**

Year 6 will develop their skills in Football and Netball this term.

### **RE**

Beliefs and practices in Islam.

What is the best way for a Muslim to show commitment to God?

## **Year 6—Autumn Term 2025**

### **How is climate change affecting the world?**

### **Braeside Residential**

Children will learn to be away from home and challenge themselves with a range of activities. Mrs Longhurst and Mrs Rawson will be there every day. **There will be a meeting on Thursday 11th September at 2.45pm** to discuss all things Braeside. Having led residential trips for over 20 years and run boarding houses, Mrs Rawson is ready for any of your concerns.

### **Art/ Music**

The children will develop their drawing and painting skills this year by exploring the need for close observations in order to create pictures.

In Music we will explore the unit around music that makes us Happy. Pupils will learn to play, perform and compose their own music as well as exploring what makes a catchy, successful pop song.

### **PSHE/ ICT**

Our unit in PSHE is 'Me and my relationships'. We will start by exploring 'How to Learn' and how each of us as individuals learn. We will then move on to how we can work together and act appropriately towards each other

In ICT Children will explore Internet Safety— particularly their use of messaging each other. Pupils will then learn about spreadsheets and how they can be used effectively for presenting data.
