

English

Our class book will be 'Percy Jackson and the Lightning Thief'. Pupils will also explore a range of Ancient Greece related comprehensions to develop their reading test skills.

Writing will include, poetry and exploration of narrative form. The children will read to explore devices and then apply their new skills to their own writing. We will be focusing on precision and editing this term.

Grammar, punctuation and spelling will also be focused on ensuring that the pupils are confident in all the technical side of writing.

Maths

Our focus in lessons will be Fractions.

We will also try to bring maths work into our project work as much as possible as we study graphs and charts as well as scales of maps.

Science

In Science this term we will be exploring classification of living things. We will look at the classification system of Linnaeus as we try to identify living things. We will complete an on going investigation into micro-organisms too. After half term, our learning will take us to discover evolution and inheritance.

History

This term's learning centres around the Ancient Greeks. We will have an introductory afternoon on familiarising the pupils with the topic but then the learning will focus in on the story of the Trojan horse and the enquiry will result in the pupils using all the evidence explored to decide whether they think the story is a myth, legend or factual.

Year 6—Autumn Term 2025

Trojan Horse

French The pupils will explore the unit 'Let's go shopping'.

PE/Games

Year 6 will develop their skills in Hockey and Gymnastics. We will be using proper hockey sticks and as pupils in Year 6 have their front teeth in, they will not be able to take part with the wooden hockey sticks unless they **have a gum guard**. Please ensure that this is provided.

RE There will be a Christianity focus in this unit on 'Why was Mary significant as Jesus' mother?'

Art/ Music

The children will develop their drawing and painting skills in exploring a range of art mediums to create impressions of Greek Gods.

In Music pupils will start to learn to play the Ukulele. They will also learn to play a range of music as a class ensemble.

PSHE/ ICT

Our unit in PSHE is 'Valuing Difference'.

In ICT Children will learn about webpages, their design and their creation. We will also teach them about some digital literacy skills in how to use powerpoint
