Dear Parents,

We are very pleased to be able to share with you the report following the SIAMS (Statutory Inspection of Anglican and Methodist Schools) Inspection on the 22nd March.

We think it really captures what makes our school a special place, highlighting how delightful and thoughtful our children are.

“Led by the headteacher, dedicated and passionate staff and committed governors ensure that pastoral care, mental health and wellbeing are priorities for all in this family Christian community.”

“High expectations influence good behaviour and positive attitudes to learning so all pupils make good progress, grow and thrive.”

“Undoubtedly, good relationships result in everyone enjoying the friendship and laughter which prevails here.”

The Inspector was impressed with how much we have achieved in meeting the raised expectations of the new Inspection framework introduced in September 2018, giving us only two action points to work on. The Inspector fed back that many aspects are excellent, commenting that we should be very proud of the school and the report. We are!

What a lovely way to end a very busy term.

Yours sincerely

Jenny Purchase
