

History

We will be exploring the history of our school through maps and photos. We hope to have some visitors we can question, go on a walk to look at the old school and investigate why the school might have moved site.

PE: We will be preparing for Sports Day, becoming athletes, and enjoying target games.

Computing: we will be using Chrome books, logging in, learning how to keep passwords safe.

RE: we will be understanding Judaism, looking at Chanukah

Music: We will be revisiting some of our favourite songs from the year with Reflect, Rewind, Replay.

Sports day Friday 13th June

History of our school
Cherry Class, Year 1
Summer 2

PSHE

We will be celebrating how we have grown and changed, learning about our feelings and safe relationships..

Art and DT

We will baking bread and making sculptures out of various materials.

English

We will be writing instructions for baking bread, creating a diary entry for a Victorian school child, and penning thank you letters for some special visitors.

Maths

We will be building on our halving skills from last term by looking at quarters, then exploring number values up to 100, meeting money and time.

Science

We will be looking at summer temperatures, revisiting and embedding some of our key learning from the year, and meeting some super scientists and inventors.
