

English

In English this half term, we will be learning how to write an information leaflet about Beach Safety, part of a story based on the text 'Storm Dragon' and some exciting English work during Science week in the last week of term.

Science

Plants - we will explore the structure of a variety of common flowering plants and even plant our own seeds and observe over time as they grow. We will also learn about the difference between wild and garden plants and deciduous and evergreen trees.

Maths

In Maths this term, we will focus on Multiplication and Division and Fractions. We will practise counting in 2's, 5's and 10's and look at halves and quarters.

RE

This term in RE we will be focussing on the enquiry question 'Is Shabbat important to Jewish children?' Exploring the religion of Judaism for the first time and understanding what Shabbat is.

PE

In PE this term, we will be working on striking and fielding and athletics techniques, including running, jumping and hopping.

Beside the Seaside!
Cherry Class
Year 1
Spring 2 2026

PSHE

In PSHE, we will be looking at 'Being my Best'. We will explore healthy eating and the importance of good hygiene, as well as perseverance when trying new things.

Geography

In Geography this half term, we will be learning all about the seaside. We will explore why people enjoy being by the seaside, look at the human and physical features and also explore how humans interacting with the seaside can have an impact on it.

Art

In Art this term, we will be learning how to create a detailed sketch of a flower. We will take inspiration from Beatrix Potter and learn different techniques to be successful.

Music

In Music, we will be practising our singing skills through Charanga and the song 'Your Imagination'.

We have whole school science week w.b. 18th May.
