

Year 2 Class Information

Welcome to Silver Birch Class 2024 - 2025

Please take some time to read this information with your parents.

I am really looking forward to next year and hope that you are looking forward to a great year too!

This page includes information about beginning Year 2.

We have a fantastic curriculum planned including learning about 'Paddington's London', The Great Fire of London, our local area, real-life superheroes and amazing explorers.

The Year 2 team

We are very fortunate to have Miss Kerley as our teaching assistant in the mornings and supporting groups of children in the afternoons with any 'booster sessions'. In addition, Miss Kerley and Mrs Natt will be covering me on a Tuesday afternoon when I am out of class.

Getting organised for Year 2!

PE will be on a Thursday and Friday. You will need to wear your PE kit to school on these days.

Each day you will need to remember: coat, lunch, water bottle and reading record.

Daily reading is an expectation in Year 2 along with practising of spellings plus, after half-term, a weekly home-learning task. These activities really will help you to progress your learning.

Communication

Seesaw: This will be the key platform for communication (posts on individual journal pages can only be viewed by myself and the Year 2 team).

Over the summer I will be uploading our new timetable and details of what we will be learning in our first half term.

Website: Our Silver Birch class page is updated each half-term and includes a curriculum overview, photos and summaries of what we have been learning.

Face to face: I will be available most mornings and afternoons to receive / pass-on any messages and am always very happy to arrange meetings where longer discussions may be appropriate.

School Uniform and PE Kit

Please refer to the School's policy for school uniform expectations. Children, who have hair longer than their shoulders, are expected to have their hair tied up during school hours. Please make sure that you wear your school shoes with your uniform and not trainers. In addition to PE kit, coats, plain black leggings/joggers and gloves are a necessity in winter please as we will be outside as much as possible.

I hope that you all have a fantastic summer.

Sometimes over the holidays our brains can get a little 'rusty' so it would be great if you could make a little scrap book to share with the class telling us about the highlights of your holiday.

Also, don't forget the Library's Summer Holiday Reading Challenge.

Thank you for taking the time to read this information and have a great break!

Mrs Bravery

Meet the teacher meeting: Friday 6th September @2.30pm

I look forward to meeting your grown-ups properly and answering any of their questions.
